## General Information

|                          |                                                                                  |
|--------------------------|----------------------------------------------------------------------------------|
| SKU                      | 245466                                                                           |
| EAN                      | 8719157043304                                                                    |
| Brand                    | Noxion                                                                           |
| Manufacturer Name        | Noxion LED Linear Light NX-Line Module DIP 8/1500 55/60/65/70W 4000K WD90 WH EM3 |
| Any Lamp all-in warranty | 6 Years                                                                          |
| Average Lifetime (h)     | 50000                                                                            |

## Technical Information

|                             |                 |
|-----------------------------|-----------------|
| Technology                  | LED Integrated  |
| Wattage                     | 55              |
| Voltage (V)                 | 220-240         |
| Dimmable                    | Not Dimmable    |
| Colour of Light             | White           |
| Colour Code                 | 840 Cool White  |
| Colour temperature (Kelvin) | 4000 Cool White |
| Colour Rendering (Ra)       | 80-89           |
| Light colour options        | Single Color    |
| Luminous Flux (Lumen)       | 8000            |
| Luminous Efficacy (lm/W)    | 160             |
| Beam Angle (degree)         | 90              |
| Power factor                | >0.90           |

|                       |              |
|-----------------------|--------------|
| Including bulb        | Yes          |
| Length                | 150cm        |
| Product Type Category | LED Trunking |

## Fixture Information

|                        |                                |
|------------------------|--------------------------------|
| Mounting Method        | Surface                        |
| Fixture Connection     | Fast connector                 |
| Optical Cover          | PMMA (Polymethyl methacrylate) |
| IP-rating              | IP20                           |
| Impact Protection (IK) | IK02 - 0.20 joule              |
| Operating Temperature  | -10 to +45                     |
| Housing                | Steel                          |
| Colour of the Fixture  | White                          |
| Emergency Lighting     | 3H Emergency Light             |
| Series                 | NX-Line                        |

## Dimensions

|             |        |
|-------------|--------|
| Length (mm) | 1498.5 |
| Width (mm)  | 69.8   |
| Height (mm) | 39.4   |

## Sensor Information

Type of sensor

**Why Any-lamp?**  
No Sensor

Order from the **largest lighting specialist** in Europe

**Customised** quotation

Up to **7 years warranty**

**Easy** return process
